Thankyou to Joseph Brady, Hugh Balfour and Midge Cameron for taking out new people last week.

Many thanks to everyone who volunteers to take out new runners even when it's not their turn on the rota. If you're on the list please try and turn up that night and make sure anybody new has someone to run with.

If you can't make it, please try and either swap with someone or let us know as early in advance as possible. Thanks. – Ros

2018 CLUB TURKEY TROT HANDICAP

10.00 SUNDAY 16 DECEMBER

The club traditionally holds an annual Christmas handicap race the day after the Christmas party. Again it will be the day after the long South of Thames 7.5M, so after a long race and long party on Saturday jump up bright and early on Sunday and run off your hangover or post race stiffness.

The course is the same as Dulwich parkrun (3 laps of the park road) approximately 5k. You need to predict

your finish time and run without your watch. The handicappers will use recent parkrun times. Runners set off with the slowest going first. The first across the finish line after 3 laps wins a prize and the prestigious Turkey Trot trophy.

There is also a prize for the runner closest to their predicted time, and also for best fancy dress. The theme this year is CHRISTMAS CRACKERS.

After the race we usually have the presentation and coffee in the park café.

If we were to focus on one Masters event, most would probably choose the relays at Sutton Park, which is provisionally May 18,

with such a large percentage of good vets, we could do very well. The club pays the fee and travel. We have previously medalled in the W35s, W45s, W55s and the M55s and shoudl also have our best ever teams (on paper) in the M35, M45 and M65 but we need a far better show and turn out than we get in most events. Please put the date in your diary.

I have gone through quickly the latest membership list which may not be totally up to date and apologises if I have missed anyone of those competing but we look like we could field more than one team in most age groups

Upcoming Cross Country Races

Cross country entries update

Wwe are hosting the **South of Thames 7.5 mile race at Beckenham Place Park on 15 December** and it is one of our Ken Crooke cross country club champs races. It is the day of the Christmas party so many of you should be around. **Please contact your captains by 5 December**, and if you do not plan to run your assistance in marshalling the course would be greatly appreciated.

Thanks to the volunteers who have already come forward. Much of the course is on open grassland, and not on clearly defined trails so we need a few more to come forward.

South Of Thames, Beckenham

15 December

The following people have kindly offered to volunteer as marshals for this event which the club is hosting at Beckenham Place Park.

Barry Graham, Claire Steward, Ian Sesnan, Bernard Imber, John O'Byrne, Chris Vernon, Andy Murray, Colleen Williams, Mel Edwards, Mike Dodds, Clare Wyngard.

If I missed anyone or others wish to help out, please let me know. With all the construction work going on in the park and a lot of the course on open grassland rather well defined paths, we require quite a few marshals, so if there are others not planning to run prepared to help out, please let me know.

Finally please note that entries are still open, so please contact your captains if you would like to run. *Mike Mann*

Surrey League

We compete in the Surrey League and this is the club's main priority. There are 4 fixtures during the season starting on 13 October. Further details on times, location etc. will be posted by your captains nearer the time. Details on Surrey League fixtures can be found elsewhere in Shorts and on the website. Please keep these dates free if at all possible. Our men currently compete in Division 2, but with good turnouts and performances from our strongest runners, we have a chance of promotion to Division 1.

Distance

The men's Surrey League races are around 8km, while the women's races start at 6km in the autumn, increasing to 8km in the New Year. Distances of other races vary, ranging from around 8km in the autumn to 12km and over for the men later in the season, but normally not more than 8k for the women.

Scoring

In the Surrey League, the first 5 women for the club and the first 10 men qualify for the scoring team, so it is important that we field as many of our strongest runners as possible. Cross country races are not elite and are suitable for runners of all abilities, and in the men's Surrey League there is now a B team competition where the second 10 runners score. These races are an excellent way of improving overall fitness, with the uneven and hilly terrain providing good strength and endurance, from which you will reap benefits over a wide range of races.

Surrey League entry

For the men's Surrey League, all those intending to take part should inform their captains to enable as many as possible online entries to be made in advance. For the women's Surrey League, and now the men'srunners have to be entered in advance. The women keep their numbers for the entire season and this system is being introduced for the men from this season. This means that runners should return their numbers to their captains after the race, or take them home, in which they must remember to take them to the next race. The Surrey League is free for all runners. Second claim members can compete in the Surrey League, but not in most other cross country races.

Other Races

In addition to the Surrey League there are a number of other cross country races, almost all of which take place on Saturdays. For those who are keen, it is possible to find a race on most Saturdays during the season. Races include the county champs (including Masters), London Champs, 2 South of Thames races, South of England and National champs. There are also a number of other races for Masters. See the fixture list in Shorts and on the website.

Which races to go for

There are cross country races on most Saturdays from early October until late February. Our main priority is the 4 Surrey League races, and the other 4 races that make up the Ken Crooke cross country championships (see below for further details). In addition runners are encouraged to compete in the Surrey and Kent county and masters champs.

Other races can be regarded as medium priority, but you are encouraged to compete for your eligible county in the Surrey and Kent county champs and Masters champs. This year we are hosting the South of Thames 7 mile race and the South of England is back at its usual venue at Parliament Hill Fields. We would like a good entry in both these events. There are a number of other races which are not high priority, but are nice to do. These include the SEAA relays and the Reigate Relays.

Entry for other races

For virtually all races other than the Surrey League, your captains have to submit entries in advance, in some cases more than a month before events. Details will be posted in Shorts and by email, requesting those interested in participating to put their names forward in advance of a deadline, so please read these carefully. It is not possible to cater for runners who decide at the last minute that they fancy a race. With the club paying for entries, you are asked not to put yourself forward on a speculative basis, so please check your calendars first, but don't worry if you have to withdraw later for a good reason, such as injury or illness.

Footwear

You can often get away with road or trail shoes in early season races, but as the ground becomes heavier from late autumn onwards, cross country spikes or fell shoes become necessary. You will need to make sure that you buy cross country spikes, as opposed to track spikes. Spikes come in different lengths ranging from 6mm to 15mm and can be screwed in. As the ground becomes heavier longer spikes will be needed, particularly on heavy course such as Parliament Hill and Lloyd Park in the winter months. Fell shoes are studded and have more grip than trail shoes. They are suitable for most ground conditions apart from ice. Cross country shoes can be bought at a number of retail outlets including Run & Become (Victoria), Runner's Shop (Beckenham), Intersport (Herne Hill), Runners Need and Sweatshop (various locations) or Wiggle online. Most offer a 10% discount to those with club or EA membership.

Ken Crooke championships

This year the Ken Crooke cross country championships will include the 4 Surrey League races, the London championships on 17 November, the South of Thames long race on 15 December, the South of England championships on 26 January and the Riddlesdown parkrun in March (date tbc after the road club championships have been sorted). To qualify you will need to complete 5 events, including 3 Surrey League races.

South of the Thames 5M XC Club Champs Morden Park

Saturday 24th November

Tony Tuohy writes: This famous old cross country race drew the curtain on the 2018 club championship as the ninth and last counting event. Most categories were already decided but the overall championship table changed as Clare and Ros swooped in to complete their counting events and grab the top two spots. With some absences the M50 and M60 tables may change too; final tables are being compiled...

Morden Park has been dormant as a XC venue for some years but was revived here to popular effect, the three lap course suitably undulating/hilly and conditions underfoot good on the soft and forgiving grass. The distance was about 5.1 miles (8.2km if you're modern) and men and women ran together, a novelty in cross country. Apart from our club championship interest, this is still regarded as a fairly prestigious race and 8th place for our men's A team against this company is a good result; but it was our women who excelled, beating Kent AC and only losing the overall win by four points to the mighty Belgrave Harriers. This was in no small measure due to an inspired run from Elkie Mace, taking second place to the same Belgrave Harrier who won last month's Surrey League XC fixture nearly two and a half minutes ahead of her - here the deficit was a mere 41 seconds, a really cracking run.

Over 40 Dulwich Runners turned out and were led in by a very quick run from Lewis, though being a mere second-claimer now he's ineligible for the club champs, so first Dulwich man this time goes to the Dublin Dynamo with a typically strong showing. Things got interesting then just over a minute back with little more than twenty seconds covering the next four; Steve D repelled all boarders and was joined in the A team scorers by another improved run from Jack, getting faster all the time.

TEAM (4 to score): 1 G&G 33; 2 Kent 50; 3 Belgrave 54; 4 Herne H 61; 5 Hercules W 87; 6 AFD 101; 7 Portsmouth 103; 8 **Dulw R 128**; 9 Kent B 138; 10 S London 199; 11 Striders 206; 12 Wimb W 208; 13 Epsom & E 230; **14 Dulw R B 263**; 15 Jonathan and Ed were also impressive just behind before another strong run from Tom (despite the remnants of a cold) held off a typically strong effort on the country from Paul, who in turn had too much for me in the last half-lap after a good ebbing and flowing battle.

Triathlete strong man Des was just too good for lan, running strongly but perhaps just a tad below par and having to dig in not to succumb to the aforementioned belter of a run from Elkie. Elkie's recent results at the London XC Champs and now here are a huge leap forward after her long time out; virtually six minute miling here on the country, much faster than she ran at the fast course Middlesex 10k eight weeks ago. Just behind, Matt Cooke also impressed and his excellent improvement earned the Captains' Award. Clare Elms is just a month short of the W55 age group and her obviously impressive time, easily the best age grading of 93% (securing the overall Club Championship), belies the fact that she was not at her best, suffering some breathing bother in the latter part of the race after contesting 2nd/3rd with Elkie that forced her to slow, losing half a minute and two places on the last lap.

A bit further back Lloyd's decent effort just about held off recent new member Andrea Ceccolini, already improving well and now a very useful addition to the club's M50 ranks. Solid runs followed from Joe and Grant while Coach Steve led in useful runs from Jonny and Eugene and demonstrated a return to some form that augurs well for the M60 race at the the Kent Masters XC Champs this coming weekend. Mark's run was solid a little further back, as were Hugh and Gower, splitting our two remaining scorers in the second-placed women's team, another good quality run from Marta and a well-deserved first medal for Dulwich grabbed by Belinda, just ahead of a sterling effort from Tess. Andrea has been trying to fend off a persistent injury lately, so did well to finish a decent distance ahead of fellow club stalwarts Michelle and Ola.

Already with two Surrey Leagues and the London Champs under her belt, Lucy appeared stronger here, well ahead of solid runs from Cameron, Katie and Graham. Joe Brady and second-claimer Jo Quantrill

country run.

Showing our good depth, we did better in the men's eight to score and we were the second best B and C team.

The results produced weren't perfect and Tim was down twice but the second one were close together while Gary ran well a little ahead of Mike. The customary high age-grading from Ros fell short of Clare on this occasion but will be enough to confirm second place in the overall club championship. Bob's comeback year continued well and Jo certainly seems pretty fit too. Midge Cameron showed good stamina in just her second race with the club and serial club champs stalwart Barrie John Nicholls completed the Dulwich showing.

in the park against me in 1972 but also can't remember much about it!

The race concluded the club championships for 2018 though some did not make the most of their last chance.

None of the original first three senior women ran so it seems Rebecca wins as she did more events than Helen though they got the same score. Katie's Morden run moves her to third ahead of the absent Christina. Only one of the top 4 Over 40 women ran too so Yvette wins that from Jo and those are the only two to complete the championships. The W50 was slightly more competitive. Though Clare won the overall championships in all age groups with ease because of her vastly superior age-grading, Michelle won this section because she did more events and won three events that Clare missed. Lucy C was third.

Dorking MV 265; 16 Belgrave B 267; 17 Herne H B 273; 18 Stragglers 274; 19 Kent C 313; 20 Wimb B 358; 21 HW B 359; 22 G&G B 361; 23 E&E B 364; 24 S London B 381; 25 SoC 398 40 teams finished **BRENT SHIELD (8 to score):** 1 Kent 188; 2 Belgrave 321; 3 Herne H 334; **4 Dulw R 389**; 5 G&G 394; 6 HW 446 Women TEAM (4 to score): 1 Belgrave 35; **2 Dulw R 39**; 3 Kent 63; 4 S London 64; 5 HW 84; 6 Dulw R B 93; 7 Wimb W 148; 8 Kent B 169; 9 Herne H 179; 10 Dulw R C 197; 11 Stragglers 206; 12 S London B 232

Steve S adds - a very good turn out in theory but 12 people who were entered did not turn up and there were loads more who should have been entered who didn't. For a local championship race close to base, it should have been better.

The women did well to come second though could have won with everyone there but the men's eighth does not really reflect our current strength with four of our top five from the first Surrey League absent though everyone who ran, did really well. Led by Tim and Steve, the next three - Jack, Jonathan and Ed probably had their best ever crosswas Matt Cooke, who was so good, it was not initially clear it was him as his run was so much better than any of his previous runs and he rightly won the Captain's award. For the women, Elkie had her best run to date not far ahead of a virus-affected Clare who was not only first W50 but also first W40. Marta probably started too quickly to be third scorer while Belinda had her best ever cross-country run to complete the scoring just ahead of Tess.

This event had an element of nostalgia for me. I ran the London Schools in the park in 1972 - came eighth in the junior boys race and the 1977 South of Thames race was my first ever senior cross-country race though I was technically a junior (under-20) Back then it was called the South of Thames Junior race but it was junior by standard rather than age and barred past winners and winning teams and high placers in National etc.

That year I finished 124th - slightly down on what I did this year in terms of position but four minutes quicker suggesting the standard of depth was rather higher back then as the distance looks about the same and the race was won by multi National champion to be Dave Clarke, who was watching this year's race and also ran back Ros won the W60 unchallenged.

Tim already had the senior men's title won and his win here increased his lead over Ed with the ever improving Jonathan ensuring he took third.

Charlie just needed to show to win the M50s but did not run but looks like Tony equalled Charlie's score but Charlie wins on doing the more events. Mark Foster was a clear third. Colin F had led the 60s throughout but injury meant he could not run the final race which enabled me to win - and become the first man to win the senior, M40, M50 and M60 club titles. Hugh's second place on Saturday moved him level with Colin on points but Colin holds on to second with the greater number of events

Sunday 18 November

Paul Keating writes: A lovely sunny, but cold, autumn Sunday morning at Brockwell Park for the tenth running of the Emer Casey 10k. A new course this year of one short lap and three longer laps of the park with a steep climb at the start just to make you work even harder. Dulwich Runners represented by a small group including Graham Laylee, Lucy Clapp, Mike Dodds and Claire Steward.

This was my second 10k race over consecutive weekends (Beckenham 10k Trail Run the week before), combined with my fastest parkruns since the start of the year, and my fastest 10k for a number of years. Hopefully there is more to follow.

Must say thank you to Clare Wyngard, Lucy Pickering, Ola Balme and Andy Murray for their support on the day.

Claire Steward adds: This was my longest run since my jog/ walk around the Midsummer Munro Half Marathon on 1 July. My arthritic knee seems to have a mind of its own, sometimes good(ish), sometimes hopeless, aching when I'm 'running', and sharp stabbing pains waking me up in the middle of the night. However, Sunday was one of the better days and I was delighted to get round with just one momentary stop to grab some water and no long-term effects afterwards (for now!).
