## COVID-19 (Coronavirus) Dulwich Runners AC Statement

Dear Club Members

The current rules allow us to train and run in groups of six with people from other households, but still maintaining a two-metre gap from those you do not live with.

We have group sessions on Tuesdays and Wednesdays. Details of these plus some training sessions from coach

Steve Smythe that are suitable for up to 6 people maintaining a 2m distance can be found in Shorts.

We will advise you of further changes to the rules, meanwhile stay safe and well, and do keep in touch with each other - either through the Club's Facebook, Strava and WhatsApp groups.

**Ros Tabor** - On behalf of Dulwich Runners AC Committee

## Membership fees 2022 extension

The Club Committee is aware that many of you have already paid your membership fees for 2020, for which the club is grateful.

### **Good news !**

if you have renewed your membership or have joined as a new member, in light of the restrictions on athletic activities owing to Covid-19 then your

membership will automatically be extended until 31st March 2022.

*So that's two year's membership for the price of one.*

**This only applies to club membership fees and that your individual England Athletics registration fee which we have no control over will still need to be paid 2021 (Not applicable to 2nd Claim members as you pay your EA fee through your 1st claim club)**

*If you have not renewed it is not too late to do so.*

## Wednesday Evening Runs Autumn 2020/21

Wednesday night runs have started in groups of six, each with a leader and catering for different paces  
Runs start at the clubhouse car park at 7pm.

**NOTE: the clubhouse is closed there are no toilets or changing facilities.**

Group leaders will ensure groups are limited to 6 with staggered starts. Please make sure to maintain social distancing at the start of the run in Burbage Road.

You can just turn up but arrive a bit earlier to enable us to sort out groups and place you in a suitable pace group. If this is your first run with the club please contact Mike Mann or Ebe Prill in advance. (email details below)

We started a sign-in system on 14 October, but this did not get off to a good start with many turning up at the last minute and congregating in a large group until sign in was completed. With London on a high Covid alert tier we must stick to the rules.

Please ensure you arrive by 6.50pm and assemble in your usual groups of 6 on arrival. We will monitor how well this system works, and if necessary tighten it up, eg: pre-run registration. If for any reason you are unable to sign in you should contact Ebe and Mike after your run. If you have any Covid-19 symptoms in the days after your run, you should contact Ebe and Mike immediately. [ebeprill@yahoo.co.uk](mailto:ebeprill@yahoo.co.uk) - [mcmann90@yahoo.co.uk](mailto:mcmann90@yahoo.co.uk)

The groups are currently organised as follows.

sub 7 minute mile pace led by Tom South  
[thomas\\_south@hotmail.com](mailto:thomas_south@hotmail.com)

approx 7.30 minute mile pace led by Gower Tan  
[gower.tan@gmail.com](mailto:gower.tan@gmail.com)

8-9 minutete mile pace (and slower) - groups led by  
Ebe Prill [ebeprill@yahoo.co.uk](mailto:ebeprill@yahoo.co.uk) and  
Mike Mann [mcmann90@yahoo.co.uk](mailto:mcmann90@yahoo.co.uk)

Standard run is about 8-9 miles, the slowest group will also have the choice of 5 miles, depending on numbers on the night.

If you are a new runner, we will place you with someone to run with at your preferred pace and distance.

## TUESDAY TRACK SESSIONS AT CRYSTAL PALACE

We have now arranged with Crystal Palace NSC/GLL for the use of the Crystal Palace track on Tuesday nights over the autumn and winter.

In order to book and access the discounted Dulwich Runners rate you will first need to be set up as a member on the Crystal Palace/ GLL booking system. **Register here:** <https://www.dulwichrunners.org.uk/tuesday>

Due to Covid-19 restrictions, all individual track bookings will need to be made online through the new GLL Booking App. How to book using the app [instructions can be found here](#)

Details of timings etc will be provided in due course but **for now if you intend to attend track sessions or would just like to give track a try, please register at the link above so that you can be set up on the system.**

**NOTE: you must register to comply with Crystal Palace Arena Covid rules**

# Training Sessions

My training suggestions - *Steve Smythe*

NB: on paces it is best to do sessions off road and go slower than suggested than risk injury on the road. ie good grass is much better than joining the masses in Dulwich Park even if you can't go quite as quick

## Tuesday sessions

Nov 3 depending on pace 12x400 off 2 mins 30, 15x400 off 2 mins 30 or 20x400 off 2 mins Tempo

## Thursday sessions

Oct 29 40 mins approx marathon pace but put one min at 10km pace every km and go back to previous pace asap

Nov 5 40 mins setting off at approx marathon pace and up pace 10-15 secs a mile every mile every 10 mins

## Hill sessions

For hill sessions - beware of doing too much too soon or you will find any running hard for a few days after.

Until your body has fully adapted, keep it controlled and be sure to a good warm up

For the Sydenham Hill suggest focussing initially on just half the hill.

ie 4 efforts of approx 30 seconds up to the gate on left then 6 efforts of approx 60-75 seconds from the gate to near the top

After a few weeks it might be possible to introduce 4-6 full efforts but still include some shorter ones.

One suggested session if hill long enough could be

5 x 15 secs hills

4 x 30 secs

3 x 45 secs

2 x 60 secs

(1 x 2 mins)

all with slow jog recovery.

If you have a gentler hill - avoid running too fast downhill on a steep descent - you could run a circuit making sure the effort is harder on the ups. It could be 5 laps of around 400m (or 10 of 200m) - with one mostly up and one mostly down sections - keep an eye on the time of each lap to ensure you are not slowing too much on your overall pace and to do that don't run the first few lap too fast.

## Surrey League Cross Country

EA have put back the opening of their licencing process until 19 October. This will not allow sufficient time for the second Surrey League set of fixtures in early November to proceed. The two South of Thames races have also been cancelled and all the races organised by SEAA are yet to be confirmed.

Surrey League is looking into pre-registration of runners, starts in waves and chip timing in compliance with the EA guidance. With difficulty in obtaining permission to hold races in

public parks, private venues are more likely to be licensed eg: venues that have been used in recent years such as Polesden Lacey and Denbies Vineyard.

Venues where races have not been held before would be more challenging eg: designing a course from scratch.

Let me know if you have any ideas; these don't have to be in Surrey, Kent would be preferable to north of the river. Mike Mann [mcmann90@yahoo.co.uk](mailto:mcmann90@yahoo.co.uk)

## Reigate Priory Cross Country Relays

**Women teams of four Saturday 14th Nov, 11am start**  
**Men teams of four Sunday 15th Nov, 10am start.**  
Deadline was Sat. 17th Oct for team entry. For women's teams If interested contact Ange Norris or Ola Balme [dulwichladiescaptain@gmail.com](mailto:dulwichladiescaptain@gmail.com) or for men Mike Mann [mcmann90@yahoo.co.uk](mailto:mcmann90@yahoo.co.uk)  
No guarantee it will go ahead though.

RPAC has a course which complies with current EA XC Covid rules. Course is approx. 1.5 miles, to allow each runner to finish within the current EA 15 minute limit.

Start times may be reviewed when clearer idea of numbers entering.

To comply with the EA restriction of 12 athletes per wave, and spread the event across each day. Each team will be given a start time with 4 runners M or F per team.

Parking on site, a small warm up area (runners will not be able to run the course beforehand), a block of toilets. No race HQ, no awards presentation on the day and no refreshments provided.

Chip timing. Race results will be calculated by adding team member times. We are exploring how we might replicate a relay handover under Covid regulations. RPAC will ensure compliance with Covid health requirements during the event, and provide guidance on safety procedures. Medical Dispatch will be in attendance.

## Race Reports & Results

Want your race results and reports in SHORTS ? make sure & email them to [barry@1bg1.com](mailto:barry@1bg1.com)  
All road, xc, fell, tri and track results etc, are welcome.

Although things appear to be picking up and there are a few events now starting to take place, you are still welcome to send in any running, tri, cycling etc or related stories, anecdotes, past glories, abject fails etc.

There are no hard and fast rules - it can be a landmark, a view, with or without a runner etc. Be as creative as you like.

The winning 13 photos will be used for a 2021 Dulwich Runners' calendar and the competition will run until the **deadline of October 31**. You may enter as many times as you wish, but any person will only be able to have one photo in the printed calendar.

Entries have been sent in, but we want more.
